## ERROR in Profile in FB 1.0.2 RC2 (last SVN too).

Posted by cood - 2007/08/04 22:46

---

When you this disconnected of ICQ appears a square wrapped up of the icon of ICQ.

I believe that should place border=0.

See below in the illustration;

<http://img299.imageshack.us/img299/1157/errorinprofileuc9.jpg>

Template is default.

Thanks,

=====
