
Error in Userlist in FB 1.0.2 (Last SVN too)

Posted by cood - 2007/08/04 22:54

Dears;

The mistake this so much in RC2 as here in BestofJoomla, when you cilca in the icons to order for a category, not this organization, decreasing or increasing.

See which am speaking below in the illustration.

<http://img178.imageshack.us/img178/3853/userlisterrorgo7.jpg>

Click and see in Userlist.

Thanks.

Cood;)
