

## [Solved] - SQL msgs while deleting a topic

Posted by Marshall - 2007/09/06 06:15

hello i get this msgs while deleting any topic

```
PDATe `jos_fb_categories` SET `time_last_msg`='1189062517',`id_last_msg`='441',`numTopics`='9',`numPosts`='41'
WHERE `id`='18'
```

```
UPDATE `jos_fb_categories` SET `time_last_msg`='',`id_last_msg`='',`numTopics`='8',`numPosts`='20' WHERE `id`='19'
```

```
UPDATE `jos_fb_categories` SET `time_last_msg`='1188969780',`id_last_msg`='396',`numTopics`='4',`numPosts`='7'
WHERE `id`='20'
```

```
UPDATE `jos_fb_categories` SET `time_last_msg`='',`id_last_msg`='',`numTopics`='2',`numPosts`='1' WHERE `id`='21'
```

```
UPDATE `jos_fb_categories` SET `time_last_msg`='0',`id_last_msg`='0',`numTopics`='0',`numPosts`='0' WHERE `id`='22'
```

```
UPDATE `jos_fb_categories` SET `time_last_msg`='1188904995',`id_last_msg`='361',`numTopics`='2',`numPosts`='12'
WHERE `id`='23'
```

```
UPDATE `jos_fb_categories` SET `time_last_msg`='1189049240',`id_last_msg`='435',`numTopics`='2',`numPosts`='14'
WHERE `id`='25'
```

```
UPDATE `jos_fb_categories` SET `time_last_msg`='0',`id_last_msg`='0',`numTopics`='0',`numPosts`='0' WHERE `id`='26'
```

```
UPDATE `jos_fb_categories` SET `time_last_msg`='0',`id_last_msg`='0',`numTopics`='0',`numPosts`='0'
```

& so on i couldnt copy the rest cos it goes so fast & returns to the category page  
so any ideas whats that?

Confirming this. The function works. Should not be shown though.

```
class.fireboard.php
line 453:
```

```
delete the following line:
echo($database->getQuery());
```

Fixed in SVN.
