
[SOLVED] missing files @ edit my profile info

Posted by manhag - 2007/09/06 21:44

when i am trying to edit my profile

it gives me that the file called "users.class.php" is not found
i am using joomla 1.0.12

that file in joomla 1.5

what i must to do

Warning: main(/home/manhagn/public_html/mam/administrator/components/com_users/users.class.php) : failed to open stream: No such file or directory in
/home/manhagn/public_html/mam/components/com_fireboard/template/default/plugin/myprofile/myprofile.php on line 636

Fatal error: main() : Failed opening required '...../administrator/components/com_users/users.class.php'
(include_path='.:usr/lib/php:usr/local/lib/php') in
...../components/com_fireboard/template/default/plugin/myprofile/myprofile.php on line 636

=====

i solved it

i have to add some functions in "joomla.php"

thats all
