
How can i get the old version 1.0.0-beta?

Posted by hywl51 - 2008/01/04 05:17

I want to test the upgrade from old version 1.0.0-beta to newest stable vesrion 1.0.4.Can anyone tell me where I can download it?

I checked the fireboard site,but found nothing bout old versions.

Thanks

Here we go:

http://joomlancode.org/gf/project/fireboard/frs/?action=FrsReleaseBrowse&frs_package_id=369

Hope this helps!
