1. I am using the board in cyrillic.
2. Search in cyrillic
3. If nothing found = ok, if results = the following message...

Warning: preg\_replace() : No ending delimiter '/' found in /\*\*\*\*/components/com\_fireboard/sources/fb\_search.class.php on line 241

Warning: preg\_replace() : No ending delimiter '/' found in /\*\*\*\*/components/com\_fireboard/sources/fb\_search.class.php on line 243

Any ideas ?
