
Categories listing error

Posted by kris_395 - 2008/02/02 04:35

Hi,
I'm getting the following error in categories listnig after upgrade from 1.01 to 1.04
components/com_fireboard/template/default/listcat.php on line 303
Any solution?

Link to the problem?

That doesn't look like the while error message.
