
Status of Fireboard dev?

Posted by Element926 - 2008/04/04 05:15

I didn't want to be the one who made this thread...but Im curious on to what the progress is for the future of fireboard?

How are things going?

Come on, at least tell us there isn't anything going on. I just need to know so I can move a platform that may have a little more future support.
