
Sticking topic in fireboard

Posted by joomlauser - 2008/05/04 20:22

Hello

I wonder how can I stick topic in fireboard?

Hi!

When you post (if you are an admin or moderator) you will see after posting a button in the right bottom of the post for sticking the post (I think I understood your question...right??)

Arcanjo

Yes.

That is it. THX.
