
Problem w/ My messages???

Posted by Syler - 2008/05/15 19:18

when i check my messages on this site
the 3 icons next to manage contact in the msg have the bottoms cut off and are nonfunctioning
also the mail icon abv that is cut off on the bottom too but functional i think

is this normal?

here it is

also on reply

select image file to attach and attach file the buttons next to browse show as

<http://www.bestofjoomla.com/images/fbfiles/images/bestjoomla.jpg>
