
Problem with font size

Posted by Skipper_Ri - 2008/05/27 13:01

Hi,

I have a problem with font size when posting or editing threads. That feature not working. FB is 1.0.4 Stable.

Wrong section.

You never say WHAT the problem is. Just that you have one.

The problem is: font size adjustable not working. No matter what font size I created, it's allways the same...
