HI All,

I searched the forum but I couldnt find the solution to my problem. FireBoard works great but when I try to submit a New Thread I get the following error

Serious db problem:You have an error in your SQL syntax near '\ON id=mesid WHERE userid=67 AND name='\Tek'\ AND email='\wturbiasz@gmail.com\' AND s\' at line 1 SQL=SELECT id FROM jos_fb_messages JOIN jos_fb_messages_text ON id=mesid WHERE userid=67 AND name='\Tek'\ AND email='\wturbiasz@gmail.com\' AND subject='\dd\' AND ip='\74.76.197.113\' AND message='\dd\' AND time>='\1212433033\'

ANy help would be greatly appreciated.
