
problem w/ rank management

Posted by Syler - 2008/05/28 04:54

have joom 1.5.2 & fireboard 1.04

trying to edit the ranks but when i hit edit it gives blank spaces and broken image link and cant edit anything

any idea?

Don't know the fix off hand or if there is one but this is one of those questions that gets asked almost twice a week. Try a search for "ranks" (without the quotes).
