
auto subscribe feature

Posted by concep86 - 2008/06/03 05:22

Is it possible to have every user automatically subscribed to all forum/threads.

I want all users to get notified on all replies

Thanks

I think I'd get PO'd if I found 1,000 notifications in my inbox that I didn't ask for.

Me too if it was a public board... but

its for a private board... and a requirement.
