
How Do I Change the \"7 Days, 10 Hours ago\"?

Posted by Thumdar - 2008/06/19 07:44

A member in my forums suggested that I change the thread posting date from the current format (7 Days, 10 Hours ago) to a more traditional date format (June 18, 2008, 10:15pm). Is this possible?

I would like to know this as well.. I can't seem to find how to change that in the FB configuration area.
